

## **Men's Club 2020 Match Play**

**Sign-up will begin March 1st and matches will begin March 30th.**

**The entry fee will be \$30**

### **Four Divisions;**

**One Scratch and Two Net and One Senior Net**

**The scratch division will play straight up. The first net will be 5 handicap to 18, and the 2nd net will be 19 handicap and over. The Senior Division will be Net only from the Gold Tee's, 62 years old and above. The net divisions will take each player's handicap and give the difference to the higher handicap player. Example, Player one is a 10 handicap and player two is a 12, player two would get two strokes...one stroke on each of the two hardest holes on the course.**

**You can play in more than one Division.**

**USGA Match Play rules will apply. Men's Club Course rules will apply, OB, cart paths, etc.**

**Players will be provided contact information of their opponents for each match and are responsible for setting up their own match times. Scorecards will be provided for each match at the time of check-in. If a player can't contact a player they will contact Shawn McMenemy at the Golf Shop and he will try to set the match. If a time can't be established he will make a decision who will forfeit the match.**

**Thank You,  
Shawn McMenemy  
SSMC Tournament Director  
Sierra Sage Golf Course**
