Planning on a serious increase in membership over the next 3 years.

Board discussed need to address pace of play in order to continue to grow.....ideas so far:

Clocks with monitors at holes #1,6,10,12,18
Timing groups coming off 9 and 18
Penalties enforced for slow groups
Stricter penalties for slow groups
Posting names of slow players
Board members working as on course marshals
14 minute intervals on score card (4 hours and 12 mins)
Check tees to eliminate blind shots (16) move tee to upper spot
more location posts in the sage
cut back the sage
start on # 10
* 10 minute intervals between groups
* Split tee times
Earlier start times
Wave up groups on par threes (and 17 in some cases)
Get members to help out (monitors and marshals)
Fore caddies on select holes

These are the suggestions from last year to speed up play. The solutions must be course friendly as well as tournament friendly. suggestions with * are not necessarily good for public play.

Mr. McMenemy made a motion for adjournment. Mr. Montgomery seconded
