Sierra Sage Women's Golf Club
Nine Hole Golf Tournaments

We are very excited to start our 9 hole tournaments that will coincide with our 18 hole tournaments.

All shotgun tournaments will not have a 9 hole tournament, due to the fact that 9 holers have to play 1 through 9 or 10 through 18 to post their scores to GHIN.

Ladies playing only 9 holes can play with ladies playing 18 holes as well; the only stipulation is there has to be at least two (2) ladies playing 18 holes in the group.

Those who play nine holes will have their own tournament and prize fund. It's an optional by-in for $5. $3 is for the tournament, $1 for closest to the pins and $1 for chip-ins. (Please indicate chip-ins on the scorecard.)

All ladies playing nine holes will play from the Family Gold Tees. Their scorecard will reflect the yardages of these tees. When signing up to play, please indicate on the sheet whether you're playing 9 or 18 holes.

The tees are in the middle of the fairway and are marked by a square yellow stone and large yellow golf ball. You have two (2) club lengths any direction (except closer to the hole) from the stone to tee up your ball.

Sierra Sage Golf Course does offer a 9 and 18 hole Smart Card. If you only have an 18 hole Smart Card you will not be able to use it for 9 holes; however you may use two (2) of your 9 hole plays to play 18 holes.
