

Sierra Nevada Travel Cup

The SNTC consists of six men's clubs from around the Sierra Nevada Region which include Diamond Mountain, Fernley, Graeagle Meadows, Plumas Pines, Washoe and Sierra Sage Golf Clubs. Each club plays each other twice; once at their course and once at their opponents course.

The format is match play singles and doubles. Three points for each individual match, with one point being awarded for the front nine, one point for the back nine and one point for the eighteen hole match. The same point system works for the two-man best ball. A total of 45 points will be awarded for each weekly match. Players will be matched according to index.

At the end of the season there is a banquet with awards at Sierra Sage Golf Course.

To sign-up for the team please come by the Golf Shop or call at (775) 972-1564
